22        sion.

23        “(b) AMOUNT.—The escrow, proof of insurance, or  
24        security required by the Commission under subsection (a)  
25        shall be in an amount sufficient—

1 “(1) to cover the costs of an effective recall of  
2 the product or substance; or

3 “(2) to cover the costs of holding the product  
4 and the destruction of the product should such ac-  
5 tion be required by the Commission under this Act  
6 or any other act enforced by the Commission.”.

14 **SEC. 20. ENFORCEMENT BY STATE ATTORNEYS GENERAL.**

15 (a) IN GENERAL.—The Act (15 U.S.C. 2051 et seq.)  
16 is amended by inserting after section 26 the following:

17 “ENFORCEMENT BY STATE ATTORNEYS GENERAL

18 “SEC. 26A. (a) Except as provided in subsection (f),  
19 whenever the attorney general of a State has reason to  
20 believe that the interests of the residents of that State  
21 have been, or are being, threatened or adversely affected  
22 by a violation of any consumer product safety rule, regula-

1 tion, standard, certification or labeling requirement, or  
2 order prescribed under this Act or any other Act enforced  
3 by the Commission (including the sale of a voluntarily or  
4 mandatorily recalled product or of a banned hazardous  
5 substance or product), the State, as *parens patriae*, may  
6 bring a civil action on behalf of its residents in an appro-  
7 priate district court of the United States to obtain injunc-  
8 tive relief provided under such Act.

9 “(b) The State shall serve written notice to the Com-  
10 mission of any civil action under subsection (a) at least  
11 60 days prior to initiating such civil action. The notice  
12 shall include a copy of the complaint to be filed to initiate  
13 such civil action, except that if it is not feasible for the  
14 State to provide such prior notice, the State shall provide  
15 notice immediately upon instituting such civil action.

16 “(c) Upon receiving the notice required by subsection  
17 (b), the Commission may intervene in such civil action and  
18 upon intervening—

19 “(1) be heard on all matters arising in such

24 ney general of a State from exercising the powers con-  
25 ferred on the attorney general, or other authorized State

1 officer, by the laws of such State. Nothing in this section  
2 shall prohibit the attorney general of a State, or other au-  
3 thorized State officer, from proceeding in State or Federal  
4 court on the basis of an alleged violation of any civil or  
5 criminal statute of that State.

6 “(e) In a civil action brought under subsection (a)—

7 “(1) the venue shall be a judicial district in  
8 which—

9 “(A) the manufacturer, distributor, or re-  
10 tailer operates; or

11 “(B) the manufacturer, distributor, or re-  
12 tailer is authorized to do business;

13 “(2) process may be served without regard to  
14 the territorial limits of the district or of the State  
15 in which the civil action is instituted; and

16 “(3) a person who participated with a manufac-  
17 turer, distributor, or retailer in an alleged violation  
18 that is being litigated in the civil action may be  
19 joined in the civil action without regard to the resi-  
20 dence of the person.

21 “(f) If the Commission has instituted a civil action  
22 or an administrative action for violation of this Act or any  
23 other Act enforced by the Commission, no State attorney  
24 general, or other official or agency of a State, may bring  
25 an action under this section during the pendency of that

1 action against any defendant named in the complaint of  
2 the Commission for any violation of this Act alleged in  
3 the complaint.

4 “(g) If the attorney general of the State prevails in  
5 any civil action under subsection (a), it can recover reason-  
6 able costs and attorney fees from the manufacturer, dis-  
7 tributor, or retailer.”.

8 (b) CONFORMING AMENDMENT.—The table of con-  
9 tents is amended by inserting after the item relating to  
10 section 26 the following:

“Sec. 26A. Enforcement by state attorneys general.”.

11 **SEC. 21. WHISTLEBLOWER PROTECTIONS.**

12 (a) IN GENERAL.—The Act (15 U.S.C. 2051 et seq.),  
13 as amended by section 19, is further amended by adding  
14 at the end the following:

15 “WHISTLEBLOWER PROTECTION

16 “SEC. 40. (a) No manufacturer, private labeler, dis-  
17 tributor, or retailer, nor any Federal, State, or local gov-  
18 ernment agency, may discharge an employee or otherwise  
19 discriminate against an employee with respect to com-  
20 pensation, terms, conditions, or privileges of employment  
21 because the employee, whether at the employee’s initiative  
22 or in the ordinary course of the employee’s duties (or any  
23 person acting pursuant to a request of the employee)—

24 “(1) provided, caused to be provided, or is  
25 about to provide or cause to be provided to the em-

1        ployer, the Federal Government, or the attorney  
2        general of a State information relating to any viola-  
3        tion of, or any act or omission the employee reason-  
4        ably believes to be a violation of an order, regula-  
5        tion, rule, or other provision of this Act or any other  
6        Act enforced by the Commission;

7            “(2) testified or is about to testify in a pro-  
8        ceeding concerning such violation;

9            “(3) assisted or participated or is about to as-  
10        sist or participate in such a proceeding; or

11           “(4) objected to, or refused to participate in,  
12        any activity, policy, practice, or assigned task that  
13        the employee (or other such person) reasonably be-  
14        lieved to be in violation of an order, regulation, rule,  
15        or other provision of this Act or any other Act en-  
16        forced by the Commission.

17        “(b)(1) A person who believes that he or she has been  
18        discharged or otherwise discriminated against by any per-  
19        son in violation of subsection (a) may, not later than 180  
20        days after the date on which such violation occurs, file  
21        (or have any person file on his or her behalf) a complaint  
22        with the Secretary of Labor alleging such discharge or dis-  
23        crimination and identifying the person responsible for  
24        such act. Upon receipt of such a complaint, the Secretary  
25        shall notify, in writing, the person named in the complaint

1 of the filing of the complaint, of the allegations contained  
2 in the complaint, of the substance of evidence supporting  
3 the complaint, and of the opportunities that will be af-  
4 farded to such person under paragraph (2).

5 “(2)(A) Not later than 60 days after the date of re-  
6 ceipt of a complaint filed under paragraph (1) and after  
7 affording the complainant and the person named in the  
8 complaint an opportunity to submit to the Secretary a  
9 written response to the complaint and an opportunity to  
10 meet with a representative of the Secretary to present  
11 statements from witnesses, the Secretary shall initiate an  
12 investigation and determine whether there is reasonable  
13 cause to believe that the complaint has merit and notify,  
14 in writing, the complainant and the person alleged to have  
15 committed a violation of subsection (a) of the Secretary’s  
16 findings. If the Secretary concludes that there is reason-  
17 able cause to believe that a violation of subsection (a) has  
18 occurred, the Secretary shall accompany the Secretary’s  
19 findings with a preliminary order providing the relief pre-  
20 scribed by paragraph (3)(B). Not later than 30 days after  
21 the date of notification of findings under this paragraph,  
22 either the person alleged to have committed the violation  
23 or the complainant may file objections to the findings or  
24 preliminary order, or both, and request a hearing on the  
25 record. The filing of such objections shall not operate to

1 stay any reinstatement remedy contained in the prelimi-  
2 nary order. Any such hearing shall be conducted expedi-  
3 tiously. If a hearing is not requested in such 30-day pe-  
4 riod, the preliminary order shall be deemed a final order  
5 that is not subject to judicial review.

6 “(B)(i) The Secretary shall dismiss a complaint filed  
7 under this subsection and shall not conduct an investiga-  
8 tion otherwise required under subparagraph (A) unless the  
9 complainant makes a prima facie showing that any behav-  
10 ior described in paragraphs (1) through (4) of subsection  
11 (a) was a contributing factor in the unfavorable personnel  
12 action alleged in the complaint.

13 “(ii) Notwithstanding a finding by the Secretary that  
14 the complainant has made the showing required under  
15 clause (i), no investigation otherwise required under sub-  
16 paragraph (A) shall be conducted if the employer dem-  
17 onstrates, by clear and convincing evidence, that the em-  
18 ployer would have taken the same unfavorable personnel  
19 action in the absence of that behavior.

20 “(iii) The Secretary may determine that a violation  
21 of subsection (a) has occurred only if the complainant  
22 demonstrates that any behavior described in paragraphs  
23 (1) through (4) of subsection (a) was a contributing factor  
24 in the unfavorable personnel action alleged in the com-  
25 plaint.

1       “(iv) Relief may not be ordered under subparagraph  
2 (A) if the employer demonstrates by clear and convincing  
3 evidence that the employer would have taken the same un-  
4 favorable personnel action in the absence of that behavior.

5       “(3)(A) Not later than 120 days after the date of  
6 conclusion of any hearing under paragraph (2), the Sec-  
7 retary shall issue a final order providing the relief pre-  
8 scribed by this paragraph or denying the complaint. At  
9 any time before issuance of a final order, a proceeding  
10 under this subsection may be terminated on the basis of  
11 a settlement agreement entered into by the Secretary, the  
12 complainant, and the person alleged to have committed the  
13 violation.

14       “(B) If, in response to a complaint filed under para-  
15 graph (1), the Secretary determines that a violation of  
16 subsection (a) has occurred, the Secretary shall order the  
17 person who committed such violation—

18               “(i) to take affirmative action to abate the vio-  
19 lation;

20               “(ii) to reinstate the complainant to his or her  
21 former position together with compensation (includ-  
22 ing back pay) and restore the terms, conditions, and  
23 privileges associated with his or her employment;  
24 and

1           “(iii) to provide compensatory damages to the  
2           complainant.

3 If such an order is issued under this paragraph, the Sec-  
4 retary, at the request of the complainant, shall assess  
5 against the person against whom the order is issued a sum  
6 equal to the aggregate amount of all costs and expenses  
7 (including attorneys’ and expert witness fees) reasonably  
8 incurred, as determined by the Secretary, by the complain-  
9 ant for, or in connection with, the bringing of the com-  
10 plaint upon which the order was issued.

11       “(C) If the Secretary finds that a complaint under  
12 paragraph (1) is frivolous or has been brought in bad  
13 faith, the Secretary may award to the prevailing employer  
14 a reasonable attorneys’ fee, not exceeding \$1,000, to be  
15 paid by the complainant.

16       “(4) If the Secretary has not issued a final decision  
17 within 210 days after the filing of the complaint, or within  
18 90 days after receiving a written determination, the com-  
19 plainant may bring an action at law or equity for review  
20 in the appropriate district court of the United States with  
21 jurisdiction, which shall have jurisdiction over such an ac-  
22 tion without regard to the amount in controversy, and  
23 which action shall, at the request of either party to such  
24 action, be tried by the court with a jury. The proceedings  
25 shall be governed by the same legal burdens of proof speci-

1 filed in paragraph (2)(B). The court shall have jurisdiction  
2 to grant all appropriate relief to the employee available  
3 by law or equity, including injunctive relief, compensatory  
4 and consequential damages, reasonable attorneys and ex-  
5 pert witness fees, court costs, and punitive damages up  
6 to \$250,000.

7 “(5)(A) Any person adversely affected or aggrieved  
8 by a final order issued under paragraph (3) may obtain  
9 review of the order in the United States Court of Appeals  
10 for the circuit in which the violation, with respect to which  
11 the order was issued, allegedly occurred or the circuit in  
12 which the complainant resided on the date of such viola-  
13 tion. The petition for review must be filed not later than  
14 60 days after the date of the issuance of the final order  
15 of the Secretary. Review shall conform to chapter 7 of title  
16 5, United States Code. The commencement of proceedings  
17 under this subparagraph shall not, unless ordered by the  
18 court, operate as a stay of the order.

19 “(B) An order of the Secretary with respect to which  
20 review could have been obtained under subparagraph (A)  
21 shall not be subject to judicial review in any criminal or  
22 other civil proceeding.

23 “(6) Whenever any person has failed to comply with  
24 an order issued under paragraph (3), the Secretary may  
25 file a civil action in the United States district court for

1 the district in which the violation was found to occur, or  
2 in the United States district court for the District of Co-  
3 lumbia, to enforce such order. In actions brought under  
4 this paragraph, the district courts shall have jurisdiction  
5 to grant all appropriate relief including, but not limited  
6 to, injunctive relief and compensatory damages.

7 “(7)(A) A person on whose behalf an order was  
8 issued under paragraph (3) may commence a civil action  
9 against the person to whom such order was issued to re-  
10 quire compliance with such order. The appropriate United  
11 States district court shall have jurisdiction, without regard  
12 to the amount in controversy or the citizenship of the par-  
13 ties, to enforce such order.

14 “(B) The court, in issuing any final order under this  
15 paragraph, may award costs of litigation (including rea-  
16 sonable attorneys’ and expert witness fees) to any party  
17 whenever the court determines such award is appropriate.

18 “(c) Any nondiscretionary duty imposed by this sec-  
19 tion shall be enforceable in a mandamus proceeding  
20 brought under section 1361 of title 28, United States  
21 Code.

22 “(d) Subsection (a) shall not apply with respect to  
23 an employee of a manufacturer, private labeler, dis-  
24 tributor, or retailer who, acting without direction from  
25 such manufacturer, private labeler, distributor, or retailer

1 (or such person's agent), deliberately causes a violation  
2 of any requirement relating to any violation or alleged vio-  
3 lation of any order, regulation, or consumer product safety  
4 standard under this Act or any other law enforced by the  
5 Commission.”.

6 (b) CONFORMING AMENDMENT.—The table of con-  
7 tents, as amended by section 19 of this Act, is further  
8 amended by inserting after the item relating to section 39  
9 the following:

“Sec. 40. Whistleblower protection.”.

10 **SEC. 22. BAN ON CHILDREN'S PRODUCTS CONTAINING**  
11 **LEAD; LEAD PAINT RULE.**

12 (a) IN GENERAL.—Beginning on the date that is 1  
13 year after the date of enactment of this Act, any children's  
14 product (as defined in section 14(e) of the Consumer  
15 Product Safety Act (15 U.S.C. 2063(e))) that contains  
16 lead shall be treated as a banned hazardous substance  
17 under the Federal Hazardous Substances Act (15 U.S.C.  
18 1261 et seq.).

19 (b) TRACE AMOUNTS OF LEAD.—

20 (1) INITIAL STANDARD.—For purposes of sub-  
21 section (a), a children's product shall be considered  
22 to contain lead if any part of the product contains  
23 lead or lead compounds and the lead content of such  
24 part (calculated as lead metal) is greater than 0.03  
25 percent by weight of the total weight of such part

1 (or such lesser amount as may be established by the  
2 Commission by regulation).

3 (2) REDUCED THRESHOLD.—

4 (A) IN GENERAL.—Beginning on the date  
5 that is 3 years after the date of enactment of  
6 this Act, paragraph (1) shall be applied by sub-  
7 stituting “0.01 percent” for “0.03 percent” un-  
8 less the Consumer Product Safety Commission  
9 determines that a standard of 0.01 percent is  
10 not technologically feasible. The Commission  
11 may make such a determination only after no-  
12 tice and a hearing and after analyzing the pub-  
13 lic health protections associated with substan-  
14 tially reducing lead in children’s products.

15 (B) ALTERNATIVE REDUCTION.—If the  
16 Commission determines under subparagraph  
17 (A) that the 0.01 percent standard is not tech-  
18 nologically feasible, the Commission shall, by  
19 regulation, establish a lesser amount that is the  
20 lowest amount of lead, lower than 0.03 percent  
21 by weight, the Commission determines to be  
22 technologically feasible to achieve. The amount  
23 of lead established by the Commission under  
24 the preceding sentence shall be substituted for  
25 the 0.03 percent standard under paragraph (1)

1 beginning on the date that is 3 years after the  
2 date of enactment of this Act.

3 (c) EXCEPTIONS.—

4 (1) INACCESSIBLE COMPONENTS.—After notice  
5 and a hearing, the Commission may determine that  
6 subsection (a) does not apply to a component of a  
7 children's product that is not accessible to a child  
8 because it is not physically exposed by reason of a  
9 sealed covering or casing and will not become phys-  
10 ically exposed through normal and reasonably fore-  
11 seeable use and abuse of the product. In making its  
12 determination under this paragraph, the Commission  
13 may not consider paint, coatings, or electroplating to  
14 be a barrier that would render lead in the substrate  
15 inaccessible to a child through normal and reason-  
16 ably foreseeable use and abuse of the product.

17 (2) ELECTRONICS.—If the Commission determines  
18 that it is not feasible for certain electronic devices, includ-  
19 ing batteries, to comply with subsection (a) at the time  
20 the regulations take effect, the Commission shall, by regu-  
21 lation—

22 (A) issue standards to reduce the exposure  
23 of and accessibility to lead in such electronic de-  
24 vices; and

1 (B) establish a schedule by which such  
2 electronic devices shall be in full compliance  
3 with the regulations prescribed under sub-  
4 section (a).

5 (d) REGULATIONS.—Notwithstanding the provisions  
6 of subsection (b), the Commission may by regulation es-  
7 tablish such lower thresholds for lead content in children’s  
8 products than those set forth in subsection (b) as the  
9 Commission finds to be technologically feasible.

10 (e) PAINT STANDARD FOR ALL PRODUCTS.—Effec-  
11 tive on the date that is 1 year after the date of enactment  
12 of this Act, the Consumer Product Safety Commission  
13 shall modify section 1303.1 of its regulations (16 C.F.R.  
14 1303.1) by substituting “0.009 percent” for “0.06 per-  
15 cent” in subsection (a) of that section.

16 (f) APPLICATION WITH ASTM F963.—To the extent  
17 that any standard or rule promulgated by the Consumer  
18 Product Safety Commission under this section (or any sec-  
19 tion of the Consumer Product Safety Act or any other Act  
20 enforced by the Commission, as such Acts are affected by  
21 this section) is inconsistent with the ASTM F963 stand-  
22 ard, such promulgated standard or rule shall supersede  
23 the ASTM F963 standard to the extent of the inconsis-  
24 tency.

1 **SEC. 23. ALTERNATIVE MEASURES OF LEAD CONTENT.**

2       The Consumer Product Safety Commission, in co-  
3 operation with the National Academy of Sciences and the  
4 National Institute of Standards and Technology, shall  
5 study the feasibility of establishing a measurement stand-  
6 ard based on a units-of-mass-per-area standard (similar  
7 to existing measurement standards used by the Depart-  
8 ment of Housing and Urban Development and the Envi-  
9 ronmental Protection Agency to measure for metals in  
10 household paint and soil, respectively) that is statistically  
11 comparable to the parts-per-million measurement stand-  
12 ard currently used in laboratory analysis.

13 **SEC. 24. STUDY OF PREVENTABLE INJURIES AND DEATHS**  
14 **OF MINORITY CHILDREN RELATED TO CER-**  
15 **TAIN CONSUMER PRODUCTS.**

16       (a) IN GENERAL.—Within 90 days after the date of  
17 enactment of this Act, the Government Accountability Of-  
18 fice shall initiate a study to assess disparities in the risks  
19 and incidence of preventable injuries and deaths among  
20 children of minority populations, including Black, His-  
21 panic, American Indian, Alaskan Native, and Asian/Pa-  
22 cific Islander children in the United States.

23       (b) REQUIREMENTS.—The study shall examine the  
24 racial disparities of the rates of preventable injuries and  
25 deaths related to suffocation, poisonings, and drowning in-  
26 cluding those associated with the use of cribs, mattresses

1 and bedding materials, swimming pools and spas, and toys  
2 and other products intended for use by children.

3 (c) REPORT.—Not later than 1 year after the date  
4 of enactment of this Act, the Commission shall report its  
5 findings to the Senate Commerce, Science, and Transpor-  
6 tation Committee and the House of Representatives En-  
7 ergy and Commerce Committee. The report shall in-  
8 clude—

9 (1) the Commission's findings on the incidence  
10 of preventable risks of injury and death among chil-  
11 dren of minority populations and recommendations  
12 for minimizing such increased risks;

13 (2) recommendations for public outreach,  
14 awareness, and prevention campaigns specifically  
15 aimed at racial minority populations; and

16 (3) recommendations for education initiatives  
17 that may reduce current statistical disparities.

18 (d) AUTHORIZATION.—There are authorized to be ap-  
19 propriated to the Commission \$500,000 for purposes of  
20 carrying out this section for fiscal year 2009.

21 **SEC. 25. COST-BENEFIT ANALYSIS UNDER THE POISON**  
22 **PREVENTION PACKAGING ACT OF 1970.**

23 Section 3 of the Poison Prevention Packaging Act of  
24 1970 (15 U.S.C. 1472) is amended by adding at the end  
25 thereof the following:

1       “(e) Nothing in this Act shall be construed to require  
2 the Secretary, in establishing a standard under this sec-  
3 tion, to prepare a comparison of the costs that would be  
4 incurred in complying with such standard with the bene-  
5 fits of such standard.”.

6 **SEC. 26. INSPECTOR GENERAL REPORTS.**

7       (a) IMPLEMENTATION BY THE COMMISSION.—

8           (1) IN GENERAL.—The Inspector General of  
9 the Consumer Product Safety Commission shall con-  
10 duct reviews and audits of implementation of the  
11 Consumer Product Safety Act by the Commission,  
12 including—

13           (A) an assessment of the ability of the  
14 Commission to enforce subsections (a)(2) and  
15 (d) of section 14 of the Act (15 U.S.C. 2063),  
16 as amended by section 10 of this Act, including  
17 the ability of the Commission to enforce the  
18 prohibition on imports of children’s products  
19 without third party testing certification under  
20 section 17(a)(6) of the Act (15 U.S.C.  
21 2066)(a)(6), as added by section 10 of this Act;

22           (B) an assessment of the ability of the  
23 Commission to enforce section 14(a)(6) of the  
24 Act (15 U.S.C. 2063(a)(6)), as added by sec-

1           tion 11 of this Act, and section 16(c) of the  
2           Act, as added by section 14 of this Act; and

3                   (C) an audit of the Commission's capital  
4           improvement efforts, including construction of a  
5           new testing facility.

6           (2) ANNUAL REPORT.—The Inspector General  
7           shall submit an annual report, setting forth the In-  
8           spector General's findings, conclusions, and rec-  
9           ommendations from the reviews and audits under  
10          paragraph (1), for each of fiscal years 2009 through  
11          2015 to the Commission, the Senate Committee on  
12          Commerce, Science, and Transportation, and the  
13          House of Representatives Committee on Energy and  
14          Commerce.

15          (b) EMPLOYEE COMPLAINTS.—

16                (1) IN GENERAL.—Within 1 year after the date  
17           of enactment of this Act, the Inspector General shall  
18           conduct a review of—
